

Devon Rex Kittens are \$1800.00. Check out these special kittens! All are well socialized and ready to be a great member of the family!

- Flight Air Cargo (450.00)
- Flight Nanny Service (1100.00)
- Flying In (will meet you at airport/airline soft crate 65.00 if needed) or Driving In to Pick Up New Family Member (Optional Driving Travel Crate 75.00):
- **Note if airport Please let me know which airport is closest to you and there are some airports that American cannot take live pets into at this time due to the type of plane servicing the airport (airbuses and 700 Jet do not take live cargo). I also have to have temperatures to be below 85 at the time the kitten is at any of the stops or arrival airports. If not, they cannot fly. If you are looking for flights for American Airlines from Little Rock to your town, Must have only one connection of at least 45 minutes or an hour. Cannot be an Airbus or a 700 Jet on any leg of the flight. I have no control if that happens, we have to go to plan B if that is the case. Please INCLUDE the closest AIRPORT if that is the option.*
- Please Submit a Deposit to Hold the Kitten You Have Selected
- Purchase Price: No breeding rights or shipping expenses.
- Surgeries Included: Spay or Neutered before leaving.
- **Please Note I generally communicate via EMAILS so please be watching your emails. Please send an email to confirm your submission and deposit. I tend to do my emails first thing in the morning then off/on all day. If you would like to personally speak to me please let me know I will give you my cell number. It is not a problem.*
- This cat/kitten is purchased as a pet. Seller warrants that this cat/kitten is presented in sound health. Seller will provide following health guarantee: Seller warrants that this cat/kitten is in sound health and guarantees the general health of the cat/kitten for a period of five days on condition that is is properly cared for and quarantined.
- Purchaser Responsibility to Activate Trupanion 30 Trial Offer within 24 hours of receiving Kitten so we have 30 days of insurance automatically. Purchaser can decide to continue or not after the 30 days.
- Purchaser is advised to take this cat (at purchaser's expense) to a veterinarian for a complete exam within 72 hours of arrival. This cat may be returned for a refund if a medical problem is found. Seller is not responsible for any veterinary expenses. Note: FIV, FIP and Ringworm Vaccinations will void any health guarantee.
- If within 6 months this cat is found to have a fatal hereditary defect, seller will replace cat with another cat/kitten when seller receives proof of defect in the form of a complete autopsy report. Buyer is responsible for any medical expenses incurred and shipping costs of replacement.

- Cats/kittens purchased will be spayed or neutered prior to leaving.
 - Purchaser agrees to care for this cat/kitten by providing adequate indoor facilities, to maintain proper nutrition, to get the cat/kitten normal yearly inoculations as recommended by a licensed veterinarian, and, if deemed necessary, prompt medical attention.
 - Purchaser agrees that this cat/kitten will never be given or sold to any research laboratory, humane society, or similar facilities.
 - If cat/kitten cannot be kept or does not work out for any reason, Seller will help place.
 - A non refundable deposit of a pre-determined amount will hold this cat/kitten until it is twelve to sixteen weeks of age. Please fill in the above information, sign the form, and keep a copy for yourself. Balance to be paid in full, including shipping costs, prior to shipping via credit card, money order or cashiers check.
